Re: One Go Events Benelux BV v. Jam Exhibitions, LLC  
07 Civ. 8185 (PKL)  
Our file: 2641002

Dear Judge Leisure:

We are attorneys for plaintiff in this breach of contract action and write to request a brief additional extension of the briefing schedule for defendant's motion to dismiss which was filed on November 26, 2007.

We had previously requested, and you had granted, a one week extension until December 14, 2007, for plaintiff to file its opposition to defendant's motion to dismiss. Due to the press of other business, we are now requesting that plaintiff be given an additional extension until December 20, 2007.

We have conferred with defendant's counsel regarding this request, but they have declined to consent to this adjournment, stating they "have not been able to get client approval on this and so ... cannot agree to the extension."

We note that plaintiff had previously granted defendant a sixty (60) extension of the time to respond to plaintiff's Complaint, which time defendant used to prepare its motion to dismiss. In all fairness, we believe plaintiff should be granted the brief six (6) day extension it is requesting.
